ABOUT ME

A passionate Software Engineering student with a focus on frontend development and full-stack applications. Proficient in React.js, JavaScript, and backend technologies. Experienced in developing scalable and user-friendly applications. Currently seeking to further enhance my skills through a software engineering internship, aiming to contribute to a dynamic and innovative team.

PROFESSIONAL EXPERIENCE

Software Engineering Intern, Uvexzon 05/2025 – 10/2025

- Contributed to the development, testing, and optimization of software applications, including both frontend and backend components.
- Troubleshoot complex software issues, researched solutions, and provided effective debugging support to ensure system reliability.
- Actively participated in code reviews and sprint planning, providing valuable input on design decisions, implementation strategies, and best practices.
- Collaborated with cross-functional teams to enhance the performance, scalability, and user experience of various applications and systems.
- Designed, developed, and integrated frontend and backend solutions for multiple client-facing web applications, ensuring responsiveness and functionality.
- Contributed to full-stack development, including API integrations, database management, and UI/UX improvements, resulting in more efficient systems.

Software Engineering Intern – DGateway In 03/2024 – 07/2024

- Developed a banking demo web app using React, Vite, and Pure CSS.
- Integrated Grafana dashboards into a web interface for data visualization.
- Implemented API integrations, XLSX export functionality, and Snackbar/Toast notifications for improved UX.
- Built backend services using Spring Boot and MongoDB, optimizing data management.
- Assisted in Docker & Kubernetes deployments and system maintenance.
- Worked on a Captive Portal project, developing user registration features, carousels, and access control.

EDUCATION

Sri Lanka Institute of Information Technology (SLIIT) 10/2022 – Present

(Student Ref No - IT22601292)

- BSc (Hons) in Information Technology Specialising in Information Technology
- CGPA-2.57
- Completed the Higher Diploma in Information Technology

PROJECTS

Tryfit: Virtual Dressing Room E-commerce Website,
Academic Project (MERN Stack – React, Node.js, Express,
Python-OpenCV, MongoDB) 

05/2025

Developed an admin-side and customer-side eCommerce web application focused on fashion and clothing. Implemented a virtual dressing room feature using Python-OpenCV for image processing and integrated it into the React frontend.

Fit-Connect: Online Fitness Guider Social Media Platform,
Academic Project (Java Spring Boot, React, Tailwind CSS,
MongoDB, JWT) 

05/2025

Developed a social media platform for fitness enthusiasts to share workout routines, fitness journeys, and tips. Utilized Java Spring Boot for the backend, React for the frontend, and JWT for secure user authentication.

Food Delivery Website System,
(MERN Stack – React, Node.js, Express, MongoDB)

11/2024

Developed a customer-side food ordering system and an admin-side food management platform. Integrated secure payment options, real-time order tracking, and a user-friendly interface to enhance the customer experience.

Hotel Management System, Academic Project
(MERN Stack – React, Node.js, Express, MongoDB) 

06/2024

Built a complete hotel booking system with a customer-side interface for room booking and an admin-side interface for managing bookings and services. Focused on creating a responsive design and implementing a seamless booking experience.

TECHNICAL SKILLS

- Frontend Development: React.js, Redux, Next.js, JavaScript (ES6+), TypeScript, Tailwind CSS, Bootstrap
- Backend Development: Node.js, Express.js, Spring Boot, Java, MongoDB, MySQL
- UI/UX Design: Figma, Material UI (MUI), Cloudscape Design
- DevOps & Tools: Git, GitHub, Docker, Kubernetes, Vite, Agile Methodologies
- Other Skills: REST API Development, GraphQL, Mobile App Development (Android - Java/Kotlin)
- Soft Skills: Attention to Detail, Problem-Solving, Excellent Verbal Communication, Organizational Skills
